- I. The meeting of the Rehab Review Committee (RRC) was called to order at 9:07 a.m. by Rodney Bowie
- II. Approval of Minutes – Motion was made by Jim Roberts and seconded by Kathy Crees to accept the minutes of the September 10, 2019 meeting as presented. Motion carried unanimously.
- III. Kathryn Crees was happy to announce the Community Development Office and City of Norwich had been awarded the 2019 OLHCHH grant. This 4-year grant will allow the CD office to address the lead hazards present in the City’s housing stock and further educate the public about preventing lead-based paint blood poisoning. The new grant is anticipated to begin in December with outreach events in preparation.

Kathryn Crees stated she had also applied for and been awarded a grant through AmeriCorps-Vista. This community work opportunity will be advertised through City of Norwich Human Resources.

Tucker Braddock asked if there was money left over from the current Lead grant. Wayne Sharkey stated he was anticipating contacting HUD for recommendation on the possibility of request for an extension. Kathryn Crees pointed out that we have the applications and projects to expend the funds to, however, not the time to complete them.

Kathryn Crees stated there was a meeting scheduled with SHPO to discuss renewing the existing MOU and the inclusion of LBPH projects.

- IV. Adjournment – Motion was made by Rodney Bowie and seconded by Jim Roberts to adjourn the RRC meeting at 9:30 a.m. Motion carried unanimously.

Respectfully Submitted
